EDUCATION

Deogiri Institute of Engineering And Management Studies, Chh.Sambhajinagar

Bachelor of Engineering in Computer Engineering (GPA – 7.57)

Chh.Sambhajinagar

2020 – 2023

VVP Polytechnic, Solapur

Diploma in Computer Engineering (Percentage – 86.74%)

Solapur

2018 – 2020

CERTIFICATIONS

- **Cloud Fundamentals Core Infrastructure, 10/2021 - 11/2021**
- **Preparing The Google Cloud Associate Cloud Engineering, 10/2021 - 11/2021**
- **C, C++ Ocean Computer Delhi, 11/2023 - 04/2024**
- **JavaScript - Namaste JS (2024)**

Work Experience

- **NAVANEET TOPTECH –** *Pune Aug 2023 – Nov 2023*
Communicated technical information effectively to clients, enhancing understanding and facilitating successful sales.
- **SEVEN MENTOR PVT LTD -** *Pune March 2023 - July 2023*
Designed, developed, and implemented web applications using front-end technologies including HTML, CSS, JavaScript, React, Node.js.

PROJECTS

Home security system using IoT | python | Database | AI | Raspberry Pie

Developed an advanced home security system integrating IoT and AI. Utilized Python for backend programming, a database for secure storage of user and alert data, and AI for real-time threat detection. The system operates on a Raspberry Pi, enabling smart surveillance, motion detection, and remote monitoring through connected devices. Designed for enhanced security and user-friendly operation.

Career Guidance Portal | JavaScript | CSS | HTML | Bootstrap

The primary purpose of career guidance is to help individuals explore and understand their occupational choices. It involves aligning an individual's potential with work demands, facilitating informed career decisions, and fostering personal and professional growth.

Grocery Shop Website | JavaScript | CSS | HTML | Bootstrap

Designed and developed a responsive grocery shop website using HTML, CSS, Bootstrap, and JavaScript. Implemented an intuitive user interface for browsing products, adding items to the cart, and managing orders. Focused on clean design and seamless user experience.

TECHNICAL SKILLS

Languages: JavaScript, Java, CSS3, HTML5, C, SQL, MongoDB.

Frameworks/Libraries: React, Node, Mongoose.

Developer Tools: Git, GitHub, VS Code, MongoDB Compass, Firebase, IntelliJ, Eclipse.

EXTRACURRICULAR

- In the 11th National Inter-District Junior Athletics Meet, organized by the Jharkhand Association, at Ranchi from January 17th to 19th, 2014
- Maharashtra State Annual Athletic Championship 2012-2013
